

2026 ENGLISH LANGUAGE DAY STUDENT CONFERENCE

CALL FOR PAPERS

The English Language and Literature Study Program is pleased to announce its annual conference for young researchers, which will take place on 23 April 2026 at the Faculty of Philosophy, University of Zenica, Bosnia and Herzegovina.

In line with the 2010 initiative of the UN Department of Global Communications, which established 23 April as International English Language Day, the conference is dedicated to the celebration and promotion of the English language, literature, and culture. It presents a unique opportunity for undergraduate and graduate students to connect across the academic spectrum and foster future collaboration. We welcome papers related to, but not limited to, linguistics, literature, translation studies, English as a Foreign Language (EFL), and English as a Second Language (ESL).

The working language of the conference is English. Papers may be presented in person or online. Participants will be granted certificates of participation.
